

You **change** the lives  
of neighbors in need.  
Thank you.

We have one life. We win by living United. Your donation helps reduce opiate substance abuse, a child become kindergarten ready, and ensures a resident can live in affordable housing. You make our community a better place to live, raise a family, work and do business. Thank you for investing in our community.

You are the  
**gamechanger**

**United Way  
of Greater Stark County**
