United Way of Greater Stark County's Young Leaders Society Invites the Community to Inspire Local High School Students with College Aspirations

(Canton, OH) October 24, 2017 – United Way of Greater Stark County's Young Leaders Society (YLS) and community sponsors are teaming up for the third annual Hoodies for the Holidays! The affinity group plans to collect over 150 hooded sweatshirts to donate to local students with college aspirations. This year, juniors and seniors at the following schools will be the recipients of the Hoodies initiative: Alliance High School, Canton Harbor High School, CHOICES, Early College and Sandy Valley High School.

"As students plan or discuss their future beyond high school, many dream of attending college," says Jenifer Hill, YLS Hoodies for the Holiday Committee Chair. "Whether they are the first in their family to attend college or one of many - they all have one thing in common, they need support! With the hoodie of their choice, a personalized letter from an alumnus and an admissions packet - we are showing students that we support their dream of educational advancement!"

The community is invited to participate in this exciting opportunity by being a sponsor or donating. It's a great way to show school pride and provide encouragement to local high school students at the same time. Monetary donations and hoodies are needed to ensure fulfillment of student requests. With help from community supporters, Young Leaders Society provides students at local participating high schools with alumni letters, admissions packets and hoodies from the colleges of their choice. "Words cannot describe how grateful I am to have received my NYU hoodie from you! It's so nice to have someone to back up and support our future life decisions. Thanks again, it means so much to me!" - Haley
