

Suggested Giving Guide

The suggested giving guide helps you set charitable goals for yourself and to see how easy it is to make a gift that helps our whole community. By utilizing the option of payroll deduction as a method for your giving, it makes it easy and hassle-free for you to split your gift up over the entire year by having a small amount deducted from each pay. Because of your generous support, United Way of Greater Stark County can help one 1 out of 3 people in our community through our efforts in the areas of Health, Education and Financial Stability.

Your Annual Gift:

Provides School Readiness and Success in School through our work in Education.

Provides pathways out of poverty and into a community where a cycle for financial success exists to allow families to build long-term economic independence by providing access to affordable housing, financial coaching, household stabilization and job training and preparation through our work in Financial Stability

Increases the number of Stark County residents who report they are healthy, reduces the infant mortality rate to meet or exceed the Healthy People 2020 Objective and reduces opiate substance abuse in our community through our work in Health.
