Deadline to submit projects is May 19**

(Stark County, OH) April 24, 2017 – On Saturday, July 15, hundreds of volunteers from Faith Family Church, in collaboration with United Way of Greater Stark County, will roll up their sleeves alongside local schools, organizations and nonprofits, assisting in a wide variety of service projects across the community for Serve Day 2017.

This one-day event offers community organizations the opportunity to educate local volunteers about their mission and to receive help completing projects that require extra manpower. Project submissions are now being accepted through May 19.

All types of projects are welcome from landscaping and painting to cleaning or working with children and seniors. There is no limit to the number of projects nonprofits may submit.

Register your project online at <http://ct.myfaithfamily.com/serveday>, or call Jana Tambunga, Serve Day Administrator, at 330-771-4324.

Serve Day is made possible because of the great partnership between Faith Family Church and United Way of Greater Stark County. Faith Family's goal is to love and serve the community while United Way seeks to improve lives in measurable and lasting ways by mobilizing thousands of people around a common goal: advancing the common good.
